Congratulations and happy 100<sup>th</sup>!

On behalf of Florida Realtors®, I'm proud to congratulate the 56,000 members of the Toronto Regional Real Estate Board on this very special occasion, your 100<sup>th</sup> anniversary.

As the largest real estate board in Canada, your members make a difference in the lives of people every day. Your members strengthen their communities by helping their neighbors and newcomers alike find the right place to call home or to start a new business.

Our members feel a special bond with your members. Canadians have been investing in Florida real estate for generations, whether it's the purchase of a winter home or a primary residence where they can enjoy the Sunshine State year-round. It's no surprise that Florida was the top destination among Canadians in 2020. And many of your citizens don't just visit Florida – 29% of Florida's foreign buyers come from Canada.

On behalf of the 195,000 members of Florida Realtors®, we wish you a heartfelt happy 100<sup>th</sup> birthday. Enjoy this milestone, savor your achievements and realize the positive impact you're had on so many people.

Your Realtor® family in Florida looks forward to partnering with you for the next 100 years and beyond.

Congratulations once again,
