To our friends at the Toronto Regional Real Estate Board,

Your colleagues at the Quebec Professional Association of Real Estate Brokers (QPAREB) warmly congratulate you on your 100-year anniversary! This is truly a milestone event – 100 years of providing unparalleled services to thousands of REALTORS® in Canada's largest city.

The QPAREB has enjoyed partnering with TRREB over the years on a variety of real estate projects and issues, including the creation of a national Home Price Index and lobbying the federal government and CREA on national issues. It is always a pleasure collaborating with you.

Your board has seen first-hand how the real estate industry has evolved over the decades, both in Toronto and across the country. TRREB has consistently guided and supported its members by providing sound leadership and valued expertise.

We admire your dedication to REALTORS® and to the community at large, and we applaud the vast contribution you have made to the country's real estate community. You've been a model for other real estate boards and associations, including ours.

And finally, thank you for helping to promote the real estate industry in Toronto and across Canada, and for highlighting the value that REALTORS® bring to a transaction.

A warm *Félicitations* from your friends in Quebec. Here's to the next 100 years!
