**RE: TRREB 100 Year Anniversary**

To Whom it May Concern:

Congratulations on your 100-year anniversary. The Toronto Regional Real Estate Board has grown from a small group of real estate professionals to become the largest real estate board in Canada representing over 57,000 REALTORS®.

Not only is real estate one of the largest sectors in the Canadian economy, it is **the** sector that allows people to create safe and secure homes, neighbourhoods, and businesses.

The advocacy work that TRREB has done at all levels of government over the years has certainly helped to shape policy and improve the real estate market for all Canadians.

Once again, we want to congratulate TRREB on its achievement and its continuing contribution to the profession.

Sincerely,

Tim Otitoju, Chairperson  
Saskatchewan REALTORS® Association

Jason Yochim, CEO  
Saskatchewan REALTORS® Association
