

Congratulations to the Toronto Regional Real Estate Board on its 100th Anniversary

November 29, 2020

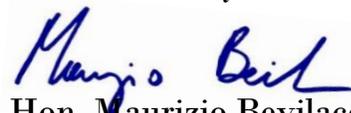

I am pleased to extend my sincere congratulations to the Toronto Regional Real Estate Board (TRREB) in celebration of its 100th anniversary. As the largest real estate board in the country, the TRREB has made significant and lasting contributions to Canada's real estate market.

The City of Vaughan is committed to business excellence and is an economic leader in the Greater Toronto Area and beyond. With more than 19,000 businesses that employ more than 227,000 people, Vaughan has the talent, resources, networks and transportation connections to help companies of all sizes expand. We are fortunate to have many organizations, like TRREB, that support our city's growing urban landscape.

I want to thank the real estate brokers and their dedicated teams of professionals for their commitment to attracting investment to Vaughan and Canada. They are involved in every aspect of our municipality's development, and we recognize their role in presenting Vaughan as a city of choice.

Once again, please accept my congratulations on this milestone achievement and best wishes for success going forward.

Yours sincerely,

Hon. Maurizio Bevilacqua, P.C.
Mayor
